Greetings AGF,

We love and miss you greatly! We pray you are doing well in the midst of these very uncommon times. Thank you for your love and prayers, along with your generosity in giving. We continue as a staff and deacon team to meet weekly to pray for you and review the ever changing COVID-19 developments.

We were hopeful to receive UPDATED GUIDELINES for the reopening of PLACES OF WORSHIP from our Colorado Governor today but to no avail. We will continue to be patient and hope for these UPDATED GUIDELINES in the upcoming days.

Our team is committed to your safety and is working hard to establish a plan that will work for our church. We will be in communication with you as soon as a reopening date has been firmly established. Until then, "keep looking up!"

God Bless You,

Pastor Mark & AGF Leadership Team
